SUMMARY:

This is a Superfund Site Strategy Recommendation and the Preliminary Assessment cancellation for the Amayol Company site in San Antonio, Texas. Superfund has recommended no further action under Superfund which includes the cancellation of the preliminary assessment planned for the site.

The FIT conducted an on-site recon of the site and saw no evidence of wastes. Information could not be found on the site past operations, disposal, or business nature, in spite of a thorough record review.

RECOMMENDATION:

We require no further action.
